Re: Arrangements for PE

Dear Parent/Carer

As with other changes and updates as we prepare to return to school, we wanted to take the opportunity to share how PE will work and the steps we will be implementing to keep students safe.

- **PE Curriculum** – All PE lessons this half term will take place outside and will be summer based sports.
- **Changing Rooms** – Classes will be using the same changing rooms for all of their lessons and will need to change as quickly as possible to maximise their practical lesson time. All students will be allowed straight outside once changed. As is the case across school, enhanced hygiene measures and cleaning will be in place.
- **PE Clubs** – As with other extra-curricular activities across school, we won't be able to offer lunchtime or after school clubs.
- **PE kit** – In line with expectations set out on the school website all students are expected to bring the correct PE kit to every lesson. Unfortunately we will no longer be able to lend kit to students. Any student who forgets their PE kit will remain in uniform and be involved as much as possible in a different capacity for the lesson. Please ensure PE kit is brought with you to your very first lesson!
- **Injury/ illness** – Please continue to ensure you make contact with your child's PE teacher either via phone, email or note if they are unable to participate in PE.
- **Adverse Weather** – We are all aware that British weather can be...unpredictable. In the event that we experience significant bad weather, we will not be in a position to double up classes in a similar way as before (depending upon timetable restrictions). Therefore there may be instances where practical PE lessons will need to be replaced with classroom based lessons.

We hope to be able to update you at the end of October regarding any changes to these procedures going forward.

Yours sincerely

Miss Sykes
