Re: Tutoring Arrangements

Dear Parent /Carer

As you'll be aware from our end of term communications, one of the major changes that we have had to make next year is to the structure of tutoring. All students will stay in the House that they are currently in so that they maintain the relationship with their Pastoral Manager and Lead House Tutor. The grid below shows which staff members are tutors of each year in each House.

HEART OF ENGLAND
Creating Futures

Insight will not pull your child's tutor information through until the start of term but the grid above will give you an indication of who your child's tutor could be. New members of staff who will be joining Heart of England at the start of September are shown in red. A great deal of thought has been given to tutor group allocation by Lead House Tutors, Pastoral Managers and Progress Leaders and movement between groups is not possible.

If you or child is unable to access INSIGHT at the start of term to see who their tutor is, they will be able to find this information upon arrival to school with staff on hand to help them.

Yours sincerely

J. Hughes-Williams
