Mock Examinations

Dear Parent/Carer

As you will appreciate, we continue to have to react to changes and alter aspects of school operations accordingly.

With this in mind, we have made the decision to **postpone the mock examinations**. These were originally scheduled to start on Monday 11th January (which is when Year 11 and Year 13 students are now expected to return to school) but will now start the week beginning **Monday 25th January**. Therefore, Year 13 study leave will commence on **Monday 25th January** and finish **Wednesday 3rd February**. Students will be expected to be back in their lessons following the mocks from Thursday 4th February.

We will amend and update the mock timetable and publish this on INSIGHT as quickly as possible.

Please note: the externally examined Health and Social Care examination on 18th January will still be going ahead as planned.

We recognise that this is a worrying and stressful time for both you and our year 13 students, and now more than ever communication between the school and yourselves is vital. You can contact your child's tutor with any queries you may have, or contact me directly by email theavg@heart-england.co.uk or phone on 01676 536 728.

For any outstanding UCAS applications, we will be working through these in the next two weeks to meet the 15th January deadline. Please be patient as we have 47 applications to work through, with each taking roughly an hour to process. Please ensure your child keeps an eye on their school email, as communication will be through here and TEAMS. Your child's tutor will be making contact with them in the next few days to discuss progress.

I am so proud of the way our students continue to react to the changing world around them and how they are all consistently demonstrating the schools core values. We will continue to update you with information as we get it.

Once again, please contact us with any questions, concerns or worries you may have.

Yours Sincerely,

Mrs Grace Theay

Assistant Principal: Head of Post 16
