- *produce an Assessment Record for each subject cohort, that includes the nature of the assessment evidence being used, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students will also be recorded.*

#### **Teachers**

*Our teachers will:*

- *ensure they conduct assessments under our centre's appropriate levels of control and have sufficient evidence, in line with this Centre Policy and guidance from the Joint Council for Qualifications, to provide teacher assessed grades for each student they have entered for a qualification.*

- *ensure that the teacher assessed grade they assign to each student is a fair, valid and reliable reflection of the assessed evidence available for each student.*

## Training, support and guidance

This section of our Centre Policy outlines the training, support and guidance that our centre will provide to those determining teacher assessed grades this year.

### **Training**

*This section provides details of the approach our centre will take to training, support and guidance in determining teacher assessed grades this year*

- *Teachers involved in determining grades in our centre will attend any centre-based training to help achieve consistency and fairness to all students.*
- *Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations.*

### **Support for Newly Qualified Teachers and teachers less familiar with assessment**

*This section provides details of our approach to training, support and guidance for newly qualified teachers and teachers less familiar with assessment*

- *We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment.*
- *We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.*

## Use of appropriate evidence

This section of our Centre Policy indicates how our centre will give due regard to the section in the JCQ guidance entitled: *Guidance on grading for teachers*.

### **A. Use of evidence**

This section gives details in relation to our use of evidence.

- *Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, and further guidance provided by awarding organisations.*
- *Candidate evidence used to determine teacher assessed grades, and associated documentation, will be retained and made available for the purposes of external quality assurance and appeals. Where student evidence used to decide teacher assessed grades is not available, for example where the material has previously been returned to students and cannot now be retrieved, it will be clearly recorded on the appropriate documentation.*
- *We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.*
- *We will use non-exam assessment (NEA) work, even if this has not been fully completed.*
- *We will use student work produced in centre-devised tasks that reflect the specification, that follow the same format as awarding organisation materials, and have been marked in a way that reflects awarding organisation mark schemes.*
- *Subjects may select class or homework as evidence (including work that took place during remote learning).*
- *We will use internal tests taken by pupils.*
- *We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.*

*We provide further detail in the following areas:*

#### *Additional Assessment Materials*

- *We will use additional assessment materials (as classroom-based and Sports Hall-based assessments) to give students the opportunity to show what they know, understand or can do in an area of content that has been taught but not yet assessed.*
- *We will use additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.*

- *We will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete.*
- *We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that hasn't been taught.*

*Our centre will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:*

- *We will consider the level of control under which an assessment was completed, for example, whether the evidence was produced under high control and under supervision or at home.*
- *We will ensure that we are able to authenticate the work as the student's own, especially where that work was not completed within the school.*
- *We will consider the limitations of assessing a student's performance when using assessments that have been completed more than once, or drafted and redrafted, where this is not a skill being assessed.*
- *We will consider the specification and assessment objective coverage of the assessment.*
- *We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.*

## Determining teacher assessed grades

*This section of our Centre Policy outlines the approach our centre will take to awarding teacher assessed grades.*

### **Awarding teacher assessed grades based on evidence**

We give details here of our centre's approach to awarding teacher assessed grades.

- *Our teachers will determine grades based on evidence which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.*
- *Our Curriculum Leaders will produce an Assessment Record for each subject cohort providing an overview of the breadth of evidence used and any necessary variations for individual students will also be shared.*

## Internal quality assurance

This section of our Centre Policy outlines the approach our centre will take to ensure internal standardisation of teacher assessed grades, to ensure consistency, fairness and objectivity of decisions.

### *Head of Centre Internal Quality Assurance and Declaration*

#### **Internal quality assurance**

This section gives details of our approach to internal standardisation, within and across subject departments.

- *We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.*
- *In subjects where there is more than one teacher and/or class in the department, we will ensure that our centre carries out an internal standardisation process.*
- *We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to:*
  - *Arriving at teacher assessed grades*
  - *Marking of evidence*
  - *Reaching an holistic grading decision*
  - *Applying the use of grading support and documentation*
- *We will conduct internal standardisation across all grades.*
- *We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.*
- *Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where there is only one teacher involved in marking assessments and determining grades, then the output of this activity will be reviewed by an appropriate member of staff within the centre.*
  - *Marking criteria will be produced for all classroom-based or Sports Hall-based assessments and this will be referred to as part of the moderation process.*
  - *For Sports Hall-based assessments papers are anonymised and they will be marked across the team (or reviewed by the Line Manager in a department of one).*
  - *Moderation will take place within departments for each assessment. This will involve a sample of each teacher's marking being checked. Anonymised papers will be sampled across the range of marks.*

## Comparison of teacher assessed grades to results for previous cohorts

This section of our Centre Policy outlines the approach we will take to compare our teacher assessed grades in 2021 with results from previous cohorts.

<b>Comparison of Teacher Assessed Grades to results for previous cohorts</b>
<p>This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.</p> <ul style="list-style-type: none"><li>• <i>We will compile information on the grades awarded to our students in past June series in which exams took place (2017 - 2019).</i></li><li>• <i>We will consider the size of our cohort from year to year</i></li><li>• <i>We will consider the stability of our centre's overall grade outcomes from year to year (excluding 2020).</i></li><li>• <i>We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.</i></li><li>• <i>In the event of significant divergence from the qualifications-levels profiles attained in previous examined years we will prepare a succinct narrative on the outcomes of the review against historic data which addresses the reasons for this divergence. This commentary will be available for subsequent review during the QA process.</i></li></ul>
<p><i>This section gives details of the approach our centre will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.</i></p> <ul style="list-style-type: none"><li>• <i>We will compile historical data giving appropriate regard to potential mixtures of A*-G and 9-1 grades in GCSEs. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.</i></li><li>• <i>We will bring together other data sources that will help to quality assure the grades we intend to award in 2021.</i></li></ul>
<p><i>This section gives details of changes in our cohorts that need to be reflected in our comparisons.</i></p> <ul style="list-style-type: none"><li>• <i>We will omit subjects that we no longer offer from the historical data.</i></li></ul>

## Access Arrangements and Special Considerations

This section of our Centre Policy outlines the approach our centre will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

### **Reasonable adjustments and mitigating circumstances (special consideration)**

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- *Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when assessments are being taken both in classroom-based assessments and Sports hall assessments.*
- *Where an assessment has taken place without an agreed reasonable adjustment or access arrangement, we will either remove that assessment from the basket of evidence or account for this when grading if appropriate.*
- *Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.*
- *We will record, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.*
- *To ensure consistency in the application of Special Consideration, we will manage it centrally in line with the document: [JCQ – A guide to the special consideration process, with effect from 1 September 2020](#)*

## Addressing disruption/differential lost learning (DLL)

### **B. Addressing Disruption/Differentiated Lost Learning (DLL)**

This section gives details of our approach to address disruption or differentiated lost teaching.

- Teacher assessed grades will be determined based on evidence of the content that has been taught and assessed for each student.

## Objectivity

This section of our Centre Policy outlines the arrangements in place to ensure objectivity of decisions.

### **Objectivity**

This section gives a summary of the arrangements in place within our centre in relation to objectivity.

*Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.*

*Senior Leaders, Curriculum Leaders and Centre will consider:*

- *sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);*
- *how to minimise bias in questions and marking and hidden forms of bias); and*
- *bias in teacher assessed grades.*

*To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware that:*

- *unconscious bias can skew judgements;*
- *the evidence presented should be valued for its own merit as an indication of performance and attainment;*
- *teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;*
- *unconscious bias is more likely to occur when quick opinions are formed; and*

*Our internal standardisation process will help to ensure that there are different perspectives to the quality assurance process. For example, all papers sat in the Sports Hall will be anonymised with students only placing their candidate number on their answer paper.*

## Recording decisions and retention of evidence and data

This section of our Centre Policy outlines our arrangements to recording decisions and to retaining evidence and data.

### **C. Recording Decisions and Retention of Evidence and Data**

This section outlines our approach to recording decisions and retaining evidence and data.

- *We will ensure that teachers and Curriculum Leaders maintain records that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades where there are variations for individual students.*
- *We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught.*
- *We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.*
- *We will comply with our obligations regarding data protection legislation.*
- *We will ensure that the grades accurately reflect the evidence submitted.*
- *We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s).*
- *In the case of a cyber-attack contingency, the SIMS database is backed up every day at 9pm, so we have a week's worth stored on the drives of the backup server. These then get backed up to tape every weekend, the backup tapes are stored off site. Each tape contains a whole weeks' worth of SIMS backups and we have 7 tapes. Other than coursework in some computer-based subjects all other student evidence is paper-based.*
- *Will make an electronic copy of marksheets and all associated paperwork that has been used to arrive at grades and store it securely in the Exams Officer's safe.*
- *In the case of a cyber-attack we will also:*

Inform DfE by emailing [sector.securityenquiries@education.gov.uk](mailto:sector.securityenquiries@education.gov.uk)

## Authenticating evidence

### **D. Authenticating evidence**

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- *Robust mechanisms, will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors.*
- *It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations to support these determinations of authenticity.*

## Confidentiality, malpractice and conflicts of interest

### *Confidentiality*

*This section of our Centre Policy outlines the measures in place to ensure the confidentiality of the grades our centre determines, and to make students aware of the range of evidence on which those grades will be based.*

- *failure to keep appropriate records of decisions made and teacher assessed grades.*
  
- *The consequences of malpractice or maladministration as published in the JCQ guidance: [JCQ Suspected Malpractice: Policies and Procedures](#) and including the risk of a delay to students receiving their grades, up to, and including, removal of centre status will be outlined to all relevant staff.*

### *Conflicts of Interest*

This section of our Centre Policy outlines the measures in place to address potential conflicts of interest.

#### **C. Conflicts of Interest**

*This section details our approach to addressing conflicts of interest, and how we will respond to such allegations.*

- *To protect the integrity of assessments, all staff involved in the determination of grades must declare any conflict of interest such as relationships with students to our Head of Centre for further consideration.*
- *Our Exams Officer will take appropriate action to manage any conflicts of interest arising with centre staff in accordance with the JCQ documents - [General Regulations for Approved Centres, 1 September 2020 to 31 August 2021](#).*
- *We will also carefully consider the need to separate duties and personnel to ensure fairness in later process reviews and appeals.*

## Private candidates

This section of our Centre Policy outlines our approach to working with Private Candidates to arrive at appropriate grades.

### **A. Private Candidates**

*This section details our approach to providing and quality assuring grades to Private Candidates.*

Heart of England have a small number of internal candidates entered for languages not taught at the Centre for home languages. These candidates are treated as Private Candidates.

Heart of England will work closely with the Greek School of Coventry and the Chinese School of Coventry. Heart of England have worked with local supplementary schools for many years on this basis. Both schools will

- provide the TAGs and speaking endorsements for GCSE Chinese and GCSE Greek
- send Heart of England all the evidence to support the TAGs
- provide Heart of England with their examination results 2017-2019
- declare any conflicts of interest
- ensure any evidence used is the candidates' own work
- be advised they will need to cooperate with Edexcel if required for example during the appeals process.

Heart of England has supervised and marked a full mock Italian paper (June 2020) under formal conditions and conducted the Italian speaking endorsement.

## External Quality Assurance

This section of our Centre Policy outlines the arrangements in place to comply with awarding organisation arrangements for External Quality Assurance of teacher assessed grades in a timely and effective way.

### **A. External Quality Assurance**

*This section outlines the arrangements we have in place to ensure the relevant documentation and assessment evidence can be provided in a timely manner for the purposes of External Quality Assurance sampling, and that staff can be made available to respond to enquiries.*

- *All staff involved will be made aware of the awarding organisation requirements for External Quality Assurance as set out in the **JCQ Guidance**.*
- *All necessary records of decision-making in relation to determining grades have been properly kept and can be made available for review as required.*
- *All student evidence on which decisions regarding the determination of grades has been made has been retained and can be made available for review as required.*

- *Instances where student evidence used to decide teacher assessed grades is not available, for example where the material has previously been returned to students and cannot now be retrieved, will be clearly recorded on the appropriate documentation.*
- *All staff involved have been briefed on the possibility of interaction with awarding organisations during the different stages of the External Quality Assurance process and can respond promptly and fully to enquiries, including attendance at Virtual Visits should this prove necessary.*
- *Arrangements are in place to respond fully and promptly to any additional requirements/reviews that may be identified as a result of the External Quality Assurance process.*
- *Staff have been made aware that a failure to respond fully and effectively to such additional requirements may result in further action by the awarding organisations, including the withholding of results.*
