Dear Parent/Carer

**Balsall Common Village Centre**

The local parish councils are looking at the future development and improvement of the centre of Balsall Common village where our school is situated.

As part of the process the *Balsall Common Centre Working Party* group have been looking at the needs of the various community groups including residents, parents and young people about any proposals and changes.

A special exhibition of the proposals with an opportunity to have your say will take place from Friday 23 to Saturday 24 July and Saturday 31 July in the Jubilee Centre in Balsall Common – all are invited.

Please find a poster from the link about the exhibition with all the details including a weblink about the scheme:
