Re: Lateral Flow Tests

Dear Parent / Carer

Further to our correspondence last week, a reminder that the online form to re-affirm your consent to your child participating in the Lateral Flow Testing at the start of term closes today.

We would also like to remind you that **if your child has had a positive PCR test for COVID-19 in the past 90 days they should not participate in the Lateral Flow testing** as they are more likely to have a false positive.

If you have not already done so, you can complete the online form here:

We look forward to welcoming our students back in the coming days!

Yours sincerely
