10 January 2022

Dear parents/carers

Welcome to a new year and a new term.

Effective communication between school and home is an essential part of us being a supportive and values driven community. Please find attached an information document relating to this topic that also highlights the importance of us continuing to work together in close partnership.

Honesty and kindness are key values in this area.

There has been much in the news lately regarding the impact of social media on our lives and the pressures imported by instant methods of contact and response. Let us continue to work closely to ensure that communication between us is as successful as possible in supporting and achieving the best possible outcomes for all.

Yours sincerely

J Hughes-Williams
Principal
