Dear Parent/Carer

SECOND HAND SCHOOL UNIFORM

The cost of new school uniform is an expensive outlay for many families, and we are looking to offer the opportunity for families to acquire second-hand uniform as spares. To that end, we are seeking donations of good-quality Heart of England school uniform that students have grown out of/no longer need.

I will publicise the dates of our uniform sales in the autumn once arrangements have been finalised. Please note, this second-hand uniform should be viewed as a source of spares - families should not look to rely on our second hand sale as the primary source of all uniform for their child. I understand that some families purchase second-hand uniform through informal local social media groups but as these are not managed by school nor available for everyone to access, we are setting up our own arrangements that will be available to all.

The second-hand uniform will be sold at a nominal value, and the proceeds from the sale will be donated to the school's Hardship Fund.

If you are kindly able to donate any uniform, please arrange for it to be dropped into school Reception at any time.

Yours sincerely
